All league decisions on protests, illegal players, and softball rule interpretation are final – NO appeals will be allowed.

1.) The minimum age requirement to participate in the league is 18 years old.

2.) All players must abide by Beverly Hills Park’s rules.

3.) Batting practice or soft toss against the fence before games is NOT allowed.

5.) The City will provide official umpires. In the event an umpire does not show up, the City staff will NOT act as the official umpire.
   a. Officials have jurisdiction before, during, and after the game.

6.) Warm-ups may be taken if time permits and they are the responsibility of each team. The time allowed will be determined by the umpire in charge.

7.) All regular season games shall be (7) seven innings or 2 hours and 15 minutes long.
   a. No new inning shall commence after 2 hours and 15 minutes, unless the game is tied after the completion of (7) seven innings.
   b. If a game is tied after (7) seven innings or 2 hours and 15, (1) one additional inning will be allotted.
   c. The “game clock” begins running at game time unless circumstances prevent the game from starting on time (i.e. previous game in progress, late arrival of umpires, etc.)

8.) Flip Flop Rule:
a. If at game time, the home team does not have (8) eight legally registered players to begin the game, that team will relinquish its home team right and begin the game as the visiting team.

b. At game time, the team will send their first batter to the plate and continue batting until the third out has been recorded. At that time, the site manager will ask the team to identify its eighth player.

c. If the eighth player is not identified, the game will be declared a forfeit.

d. If an 8th and 9th player arrives, those players will bat in order following the seventh position in the batting order.

9.) Courtesy Runners:
   a. Each team will be allowed (2) two courtesy runners per game. Umpires and the site manager MUST be notified BEFORE the start of the game as to which players need courtesy runners.
   b. Courtesy runners may only be used by the players identified at the start of the game and MUST be used for the ENTIRE game.
   c. The courtesy runner will be the player with the last recorded out, or if in the 1st inning and no outs have occurred, the last player in the official lineup.
   d. A courtesy runner will also be allowed for the catcher when there are 2 outs.

10.) Collision Avoidance:
   a. If a base runner intentionally collides with a fielder, the runner will be called out and may be ejected from the game, at the umpire’s discretion.
   b. Base runners must either slide or give up their right to a base if the defensive player has possession of the ball, or is about to immediately receive the ball.
   c. If a defensive player is not in possession of the ball or in the act of receiving the ball, it is the defensive player’s responsibility to avoid a collision and give the base runner the right to the base. If a collision does occur, the runner will be called safe.

11.) Fake tags or catches are not allowed. Offenders will be given a warning or may be ejected at the umpire’s discretion. A fake tag is considered ANY action that induces a runner to slide unnecessarily.

12.) Any player who throws his bat may be ejected from the game on the first occurrence at the umpire’s discretion.

13.) Pitchers may not wear white or gray pitching sleeves, wristbands, or any color-batting glove or mirrored sunglasses while pitching.

If all players are being batted and no substitute is available, then the deleted player shall be removed from the offensive lineup and all other batters move up in the lineup without penalty to the affected team.

3.) Each team may bat as many players as desired in the initial lineup but no less than (8) eight. The team may add players to the bottom of the lineup as desired. If a batter is pinch hitting for a player, the player may not re-enter the game as a hitter but may remain in the game as a fielder or pitcher.

4.) Each team has a hitting and defensive lineup that is independent of each other. Players may play in either lineup or both. All players may be substituted defensively at any time, without affecting the player’s offensive status in the lineup.

5.) If a pitcher is removed but remains in the batting line-up, he may return to pitch only one time during the course of the game but not in the same inning.
